Executive Director
Board of School Administrators

Dear Dr. Kinkel,

I am writing this letter to confirm that Brett Stringer is enrolled at Minnesota State University, Mankato, as a non-degree seeking student, in the Specialist with Administrative Licensure Program. Mr. Stringer enrolled Fall 2021 and is currently taking six-credits towards licensure as a K-12 Principal in Minnesota.

In my role as the Specialist Program Coordinator, I am working with Mr. Stringer to finalize a plan of study based on previous out-of-state K-12 Principal coursework. Mr. Stringer is gathering and providing past syllabi which will assist in finalizing his plan of study.

Please let me know of any questions and how I can be of any further assistance.

Thanks, and best,

Jinger A. Gustafson
